To whom it may concern,

My name is Christine Olsen, representing Dyrebar Omsorg AS. It has been my absolute pleasure to be a partner in Care Farms for a Sustainable and Inclusive Future. Number 2021-1-SK01-KA210-ADU-000027360.

During my partnership with Slavka Duplakova over the last few years, I have experienced her as a highly dedicated and responsible project coordinator. She ensured everything was in order and made my company as a partner feel that everything was taken care of.

I can highly recommend Slavka Duplakova to be the project coordinator and project leader, and I would be more than happy to be a partner in more projects together with her.

Please do not hesitate to contact me if you require additional information.

Sincerely,

Dr. Christine Olsen
